

IDAHO LIFE MERIT AWARD

An Idaho Life Merit Award is an honor and living memorial to the recipient. It may be bestowed upon a person for meritorious and outstanding service to children and youth through PTA, youth groups, school, or community service.

The Idaho Life Merit Award is solely honorary and does not carry the right to vote or hold office in any division of the organization. People holding these awards must still obtain a local membership if they plan to hold office, vote, or otherwise participate in any division of the PTA. Funds received by the Idaho PTA from the purchase of Life Merit Awards are returned to the local units through field service and leadership training.

An Idaho Life Merit Award can be given any time. However, it is usually awarded near the end of the school year or as part of the Founder’s Day Program in February. Orders need to be placed with the Idaho PTA Office well in advance (at least 2 weeks) of the presentation date to insure timely delivery. The price of an Idaho Life Merit Award is \$35.00. For this fee, the recipient will receive a wallet size card and a gold oak leaf pin with the letters ILM on it. The recipients name will also be placed on the permanent records in the Idaho PTA Office.

An individual should receive the ILM award only once. Complete the form below and send it along with a check payable to Idaho PTA to: Idaho PTA - 1655 West Fairview, Suite 109 - Boise, ID 83702
