Idaho PTA Volunteer of the Year

When parents are involved, children succeed in school. Idaho's PTA's Volunteer Award program recognizes and honors outstanding volunteers who have given selflessly to make their school community a better place for students and staff to achieve their goals.

This special person does not need to be the person who logs the most volunteer hours or is a PTA executive board member. Nominees should be someone who has made a positive impact on the school and its children. All local units are encouraged to participate in this worthy recognition of volunteers.

Selection Criteria:

- **ACHIEVEMENT** - What the nominee accomplished through volunteer service.
- **MOBILIZATION** - Nominee mobilized other volunteers or generated increased resources
- **ONGOING INVOLVEMENT** - Nominee's commitment was hands-on and sustained, rather than a one-time activity

THE AWARD: From the nominations received by the Idaho PTA state office by the deadline, one individual will be selected to be recognized as the state recipient of the award. The winner of the award will be honored at the Idaho PTA annual convention.
